Alpha Kappa Alpha Sorority, Incorporated

Volume 1, Issue 1

Message From the Regional Director

Constance R. Pizarro
North Atlantic Regional Director

Sorors,

We preface our region with the descriptor “Notable,” coined by Soror Wilma Holmes Tootle, our 28th North Atlantic Regional Director, in honor of our rich accomplishments.

Consider our Region’s Legacy:

- The birthplace of Alpha Kappa Alpha Sorority, Incorporated.
- The first region of Alpha Kappa Alpha.
- Home of the Alpha Chapter, which has produced the largest number of Supreme Basilei.
- The site of the national Alpha Kappa Alpha repository.
- The second-largest region in all of Alpha Kappa Alpha.

Our Region has meant so much to Alpha Kappa Alpha. It is our duty to honor those who came before us and pave the way for those who will come after us. **Sisterhood, scholarship** and **service** will be our constant focus as outlined in our 2010-2014 international program, *Global Leadership Through Timeless Service*. You received details about these initiatives at the undergraduate round-up and Fall cluster meetings. However, I would like to briefly touch on some of my goals as Regional Director:

- **Sisterhood** – We must increase retention of our undergraduate sorors and do more to ease their transition into graduate chapters. I also hope to create an environment where all sorors feel free to seek information from our leadership in a respectful and collaborative manner. We want every soror to be informed about Alpha Kappa Alpha’s inner workings and to act cordially towards one another.
- **Scholarship** – I believe that we can better support our undergraduate sorors by encouraging attendance at regional and international conferences. Towards that end, awards from the *Capturing the Promise* EAF endowment fund will be earmarked for college scholarships and registration fees at Boule and Leadership. We need to capitalize this fund by NARC 2011 in time for the Leadership conference that summer.
- **Service** – We need the greater community to see Alpha Kappa Alpha women in action at our cluster and regional gatherings. A community service project will be a major feature at our upcoming regional conference.

This edition of “The Promise” includes details about regional appointments; please note the new positions and committees – Regional Chaplain, Regional Hodegos, Undergraduate Transition Committee, My Sister’s Keeper Committee and Corporate Sponsorship Committee. We will put greater emphasis on “doing the right thing and doing things right” with guidance from the Regional Protocol Committee, which will work overtime to ensure that our events follow proper procedures.

Sorors, I am greatly humbled by the well-wishes and encouragement that you have extended since my election. I am excited about leading us on this service journey and hope that you will share my enthusiasm as we do the work of Alpha Kappa Alpha. Always remember these words from Soror Maya Angelou: “*I’ve learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.*”

Let’s work this fall to become “notable” for nurturing each other’s enjoyment and upliftment in Alpha Kappa Alpha.

Sisterly,
Soror Connie

Greetings from the Second Supreme Anti-Basileus

Undergraduates, it is our time to lead the way. We will lead the way by providing local service with a global perspective.

As we move forward in this second century of service, may we commit ourselves to protecting the legacy of our dear founders by putting on the armor of the whole Alpha Kappa Alpha woman.

Dress yourselves with leadership, service, and scholarship. Don't leave home without this armor.

This AKA armor will protect our status as America's premiere black Greek -lettered organization.

We must also protect our legacy by adhering to our key stone documents and obeying the mandates sent down by our International leadership.

In the spirit of sisterhood, we will unite as one to accomplish our Global mission of service to all mankind. Undergraduates, I welcome you on this journey of Global Leadership through Timeless Service.

Soror Jocelyn McDaniel

Greetings on behalf of the 2010-2012 Undergraduate Activities Committee

The Undergraduate Activities Committee has been extremely busy serving as the voice for the undergraduates. Regional Round-Ups were a success as we presented pertinent information and encouraged open dialogue and constructive feedback. We are currently looking forward to the unveiling of the new UAC Blog on the members-only section of the international website as well as restarting the monthly Basilei calls. The UAC hopes that you all have a very productive school year as you strive to excel in your academics. Sorors, our focus is service so let's stay positive and energized as we promote "Global Leadership through Timeless Service." We are here to serve you so please feel free to contact your respective regional representative to the Undergraduate Activities Committee. We look forward to hearing from you and serving you for the next two years. We wish you Godspeed with all of your Sorority and academic endeavors!

Reminders from the Supreme Tamiouchos, Soror Delores Y. McKinley

Most chapters should have already started planning the budget for 2011. I have included a few reminders that might facilitate that process:

1. The Budget or Finance Committee should meet no later than September to prepare the budget. The Tamiouchos normally serves as the committee chairman. The Tamiouchos should have already obtained input from the various committees.
2. The Pecunious Grammateus and the Program Committee Chairman should also serve on the committee. It is necessary that the chapter determines its program activities for the year in order to establish the cost of implementing the programs.
3. Timetable for Budget
 - a. In October, the budget should be presented to the Chapter.
 - b. In November, the Chapter should approve the 2011 budget.
4. Use your 2010 budget as a guide in preparing the 2011 budget.
5. On the income side, add \$5 each for the *Constitution and Bylaws* and *Manual of Standard Procedures*, \$10 total. These are mandatory documents for all Sorors.
6. Remember to add EAF dues for each member of \$10.

Expenses

7. Remember the International Founders' Day in Little Rock, Arkansas in January 2011. Please plan to have representation, if your budget so allows.
8. 2011 is a Leadership Seminar year. This year it will be in Atlanta. Please budget for your Basileus to attend.
9. Include a contingency line item for emergencies that may arise.
10. Chapters must use funds raised through the community exclusively for scholarships and/or community service projects. It is required that these funds be budgeted separately and maintained in a separate bank account.

Other Financial items

11. Chapter Tax and per capita are due by January 1. Per Capita is considered late if not postmarked by February 1, 2011. **Do not wait until the last week in December to process electronic payments of per capita, as we experienced heavy processing during this time.**
12. Pay close attention to items in the fall mailing and the Chapter Report Booklet. Please remit your annual Budget and Statement of Operations Report **by February 1, 2011 to the Corporate Office, Regional Director and Supreme Tamiouchos**. This is required to facilitate the preparation of the IRS form 990 Group Tax Return for Chapters.

THERE IS A *FORM 990 QUESTIONNAIRE* THAT MUST ALSO BE COMPLETED. Chapters that do not submit reports on time will be responsible for filing their own tax returns to the IRS and will be left off the corporate return. Further, if these chapters do not respond to the final request for information, they will be subject to disciplinary actions from the Regional Director.

13. To facilitate transferring of fiscal responsibilities, the Tamiouchos should be prepared to have the signatures changed on the bank accounts and the fidelity bond in December.

Alpha Kappa Alpha's Bylaws require each chapter to (fidelity) bond its Tamiouchos and Pecunious Grammateus. We also recommended any other soror handling funds also be bonded.

GLOBAL LEADERSHIP THROUGH TIMELESS SERVICE PROGRAMS TO ADDRESS THE NEEDS OF THE GLOBAL COMMUNITY

Join in this second century of service as we continue our legacy of Service to all mankind. Our legacy of commitment to global service and leadership is the inspiration and impetus for our 2010-2014 program and theme - *Global Leadership through Timeless Service*.

The challenge before us is important so begin your program transitions now. How? Chapters must evaluate current programs and map them to our 2010-2014 Program Initiatives. We've traditionally focused on Education, Health, The Family, Economics, and the Arts. So ask yourself, "What are we doing now that works for our community and what is supported by the membership?" In addition, ask "What strategies can be used to maintain current partnerships and collaborations?"

Our guiding principles and imperatives were developed with our traditional areas of service in mind combined with the relevant issues in our modern society – they are deeply rooted in **SERVICE**: **S** for Sisterhood, **E** for Economic Security, **R** for Human Rights, **V** for Vitality and Health, **I** for Innovative Programs, **C** for Collaborative partnerships, and **E** for environmental security.

We also have to work SMART! Each program initiative is Strategic, Measureable, Attainable, Relevant and Transferable for the most impact. Sorors take leadership in your chapters using Awareness, Advocacy, and Action as the building blocks of your 2010-2014 Program Initiatives.

Awareness means education. We must educate ourselves and our communities as to why these initiatives are important and the cold hard facts that support them. For example, 1 in every 9 African Americans has diabetes, but only 1 in 4 is aware that they are living with this dangerous condition. But awareness isn't enough, we must *Advocate*. We've partnered with key international and national agencies to collaborate and share resources. Regions and chapters are encouraged to take advantages of these partnerships and ones that you've already established. View videos of our sorority's partnerships at <http://www.aka1908.com/about-aka/partnerships.html>. And finally, Sorors, we must *Act*. Our chapters and program initiatives can host fairs, forums, and screenings at AKA events along with other innovative approaches.

This great mission: Global Leadership through Timeless Service and its six initiatives start with the signature program of this administration, the Emerging Young Leader Program.

Initiative I - Emerging Young Leader Program, The Signature Program Initiative, is designed to significantly impact the lives of young girls in 6th through 8th grades in the areas of leadership development, civic engagement, educational enrichment and character building. Sorors you can partner with a local school or boys and girls club to select your participants. We will impact the lives of thousands of girls as they develop into leaders of their communities, our country, and the world.

GLOBAL LEADERSHIP THROUGH TIMELESS SERVICE PROGRAMS TO ADDRESS THE NEEDS OF THE GLOBAL COMMUNITY

Initiative II - Health Initiatives are designed to promote personal fitness and healthy lifestyles while focusing on two signature programs and partnerships: Asthma Prevention and Management and Environmental Stewardship and Sustainability. Partnerships include the American Diabetes Association, the American Heart/Stroke Association, the American Kidney Fund, the American Cancer Society, and Health Promotion the undergraduate emphasis program. Environmental Stewardship encompasses eco-living, environmental education and advocacy and stewardship. Chapters will disseminate information to encourage and sponsor youth to apply for the President's Environmental Youth Awards, <http://www.epa.gov/enviroed/peya/index.html>.

Initiative III - Global Poverty is intended to fight to end hunger and malnutrition, preserve the environment, and empower women. Key program partnerships are where the greatest number of children are suffering from PEM (protein-energy malnutrition). We will partner with HEIFER, <http://www.heifer.org/#>, an international organization whose mission is to provide food and training in self-reliance through gifts of livestock and training in environmentally sound agriculture. We will also co-sponsor a project in Africa and South America to create opportunities for women self-sufficiency. Women will be equal partners in ending hunger and poverty.

Initiative IV- Economic Security Initiative is designed to continue Alpha Kappa Alpha's efforts to build wealth, allocate resources, promote homeownership, asset protection, estate planning, access to capital, support and empower female-owned businesses and urban enterprise zones.

Initiative V - Social Justice and Human Rights initiative is designed to advocate for social justice and human rights for all. Through awareness campaigns, support of legislation, and global campaigns, we will be advocates for changes in laws that address Domestic Violence Prevention and the protection of victims of Human Trafficking. We will seek for the protection of rights for Children of Incarcerated Parents and Youth Aging Out of Foster Care. Through our advocacy in these areas, we must educate voters and constituents and empower them to make the positive changes needed.

Initiative VI - Internal Leadership Training for External Service is designed to provide leadership training for members at all levels within the sorority as well as professional leadership skills for leadership in other organizations. For example, we will now certify our Financial Officers like we've certified our Graduate Advisors.

We've Got Work to do Sorors! Join in this second century of service as we enrich ourselves and enrich the lives that we touch through our commitment to service while continuing our wonderful legacy. Your International Program Committee stands ready to partner with you.

Sisterly,

The International Program Committee

STANDARDS FOR SECOND CENTURY LEADERS

Under the leadership of the Supreme Basileus, Soror Carolyn House Stewart, the 2010-2012 International Standards Committee will continue the charge as outlined in our Constitution and Bylaws and the Manual of Standard Procedure. The role of the International Standards Committee is to establish and implement the criteria for evaluating chapters. The 2010 Standards End of the Year (EOY) Report is due on December 31st. A signed copy of this report is to be sent to three individuals: Signed Copy #1: Regional Director; Signed Copy #2: Soror Joyce Henderson, International Standards Committee Chairman; and Signed Copy #3: Regional Representative to the International Standards Committee. Sorors you have the option to forward your signed EOY reports by US Mail or by email.

You may secure a copy of the revised 2010 Standards End of the Year (EOY) Report on the AKA website, from the Fall Mailing, or in the revised Standards Resource Guide. It is important that as we implement the programs of Alpha Kappa Alpha Sorority, Incorporated, chapters complete and submit in a timely manner their EOY reports. In order to compete for regional and national awards, chapters are reminded to submit the report to all three individuals by the published deadline date. As Second Century Leaders, we have to do our part in supporting the program efforts while being efficient and effective. We look forward to hearing from you in the months to come!

Sisterly yours,

Soror Joyce Henderson

Prayer Corner

Think before...

Set a guard over my mouth, O LORD; keep watch over the door of my lips. Psalm 141:3 (NIV)

As Alpha Kappa Alpha women, we should well remember this particular Bible verse. Sadly, far too many of us don't even remember where it's from. But as we embark on a new adventure, capturing the promise of a new regional administration, it seems the perfect opportunity to recall this hallowed verse from the Scriptures and to actively apply it in all the aspects of our lives...especially in service to our beloved Sorority.

Now that the Fall season is taking hold and we again take up the business of Alpha Kappa Alpha in earnest, let us put aside points of view that may have caused us to be at odds with one another. There is much work to be done! We should keep our eyes on the prize and not worry about the manner in which one soror goes about her work versus the way we think it should be done.

You know how it goes – “I don't know why she's doing it this way” or “It worked fine two years ago when we did it,” or “It wouldn't be like this if our other soror were in charge,” or the ever-popular “No one else ever did it this way – who does she think she is?” And on and on and on.

Set a guard over my mouth, O Lord; keep watch over the door of my lips.

Sorors, remember that words can hurt and spoken out of order, they can do irreparable harm. It takes courage to actually think before you speak...to sometimes keep silent. Sure, it's fine to disagree and to voice your different point of view, but could you do so in a pleasant, kind, and sisterly way? Work toward the success of every project whether you voted for it or not. Strive to make the leaders at every level of the Sorority look good whether you voted for them or not. That off-handed remark you thought nobody heard you say can travel like wildfire and cause all sorts of havoc. The next thing you know, that havoc will have bred discontentment, and that discontentment will have spawned all kinds of negativity and discord. The Notable North Atlantic Region of Alpha Kappa Alpha Sorority, Incorporated is better than that.

In my faith tradition, we recite something called the Church Covenant, which in part, says the following: “We further engage to watch over, to pray for, to exhort and stir up each other unto every good word and work; to guard each other's reputation, not needlessly exposing the infirmities of others; to participate in each other's joys, and with tender sympathy bear one another's burdens and sorrows; to cultivate Christian courtesy; to be slow to give or take offense, but always ready for reconciliation...” Sorors, let's guard each other's reputations and let's not expose each other's weaknesses.

OK, Soror – How are we supposed to go about doing all of that? Glad you asked. It's simple really. Think before you say what you think is so important for you to say. Seriously. Think BEFORE.

Set a guard over my mouth, O Lord; keep watch over the door of my lips.

In Loving Memory
of
Soror Nellie Wolfe Gaylord

24th North Atlantic Regional Director

Soror Nellie Wolfe Gaylord believed in giving her time, talent and treasure to Alpha Kappa Alpha Sorority, Incorporated. In her 68 years of service, Soror Nellie, our 24th North Atlantic Regional Director, left behind countless accomplishments and accolades when she departed this life on October 8, 2010.

Soror Nellie's journey in Alpha Kappa Alpha began with her initiation at Alpha Pi Chapter at the former Clark College in Atlanta, now Clark Atlanta University. Upon graduation, she joined Kappa Omega Chapter where she served as Epistoleus alongside Founder Soror Marie Wolfolk Taylor. When Soror Nellie relocated to Philadelphia, she joined Omega Omega Chapter where her paths crossed with another Founding Soror, the visionary Ethel Hedgeman Lyle, and she became the Assistant Graduate Advisor to Delta Mu Chapter at Temple University.

In 1967, Soror Nellie organized Theta Pi Omega Chapter, then one of only four chapters in the state of New Jersey, and served as its first Basileus. In 1978, she was elected Regional Director, serving in this role until 1982. An original committee member of the Corporate Office Improvement Program, better known as COIP, Soror Nellie also served as the North Atlantic Representative to the International Membership Committee from 1990 to 1994.

Articulate, knowledgeable and dedicated to service, Soror Nellie was a role model and resource. Even after she returned to Atlanta in 1995, she vowed that she would always be a member of Theta Pi Omega. A Golden Soror and Life Member, Soror Nellie instituted the Alpha Pi Wolfe Sisters Endowed Scholarship within the AKA Educational Advancement Fund in honor of the legacy that she shared with her two sisters.

She leaves to grieve her passing a son, Clyde Gaylord, III; a sister, Ida Ross; a brother, Roy Wolfe, and his wife, Elise; sister-in-laws, Fredericka Wolfe and Henrietta Wolfe; and a host of relatives, friends and sorors.

Attitude

There once was a woman who woke up one morning,
looked in the mirror,
and noticed she had only three hairs on her head.
“Well,” she said, “I think I’ll braid my hair today.”

So, she did and she had a wonderful day.

The next day she woke up, looked in the mirror,
and saw that she had only two hairs on her head.

“Hmmm,” she said, “I think I’ll part my hair down the middle today.”

So, she did and she had a grand day.

The next day she woke up, looked in the mirror,
and noticed that she had only one hair on her head.

“Well,” she said, “today I’m going to wear my hair in a ponytail.”

So, she did and she had a fun, fun day.

The next day she woke up, looked in the mirror,
and noticed that there wasn’t a single hair on her head.

“YAY!” she exclaimed. “I don’t have to fix my hair today!”

Attitude is everything.

Be kinder than necessary,

for everyone you meet is fighting some kind of battle.

Live simply

Love generously

Care deeply

Speak kindly

And pray continually.

Life isn’t about waiting for the storm to pass

It’s about learning to dance in the rain.
